KIMPTON NEWS

Welcome Back

...Or WELCOME to Kimpton! I am so looking forward to working with you child, and sharing in their musical maturity this year!

Beginning of the year paperwork

During the first weeks of school, all students should have brought home to share with parents two important papers: The Kimpton Handbook packet, containing crucial information including concert dates for the success of all Kimpton band students for the year, and the Emergency Medical Form which should have filled out and returned. They also received information about purchasing a flip folder and lyre. Please take time to review this material with your child and return the necessary documents by the date printed.

Kimpton Night

The first performance for both Kimpton bands will be with the high school band during the Kimpton Band Night performance. This performance will be at the September 27 Homecoming parade and football game. There will be two extra rehearsals for this performance on September 19 and September 25 from 6-7 at the high school. Percussion will rehearse from 5-7. **This performance and rehearsals are mandatory for all students.** Students will need to purchase a Stow Band T-Shirt at one of these rehearsals if they do not already own one. Stow band T-Shirts will be for sale in the choir room after our rehearsals. The cost is \$10 and must be purchased before the performance for Homecoming.

The schedule for September 27th will be as follows:

- ⇒ Arrive @ HS 4:30 for parade
- ⇒ 5:00 parade
- ⇒ 5:45 dinner – hot dog supper provided by *Band Parents
- ⇒ 6:15 line up outside the HS to march to the stadium
- ⇒ 6:45 performance

ALL STUDENTS WILL BE DISMISSED AT HALFTIME!
(Approximately 8:30)

This performance is an excellent opportunity for your student to be exposed to the high school band and the excitement they experience during marching band season.

***THE BAND PARENTS ASSOCIATION WILL NEED PARENT VOLUNTEERS TO BAKE COOKIES AND SERVE FOOD FOR THIS EVENING.**

COLOR INSTRUMENTS

In our efforts to equalize the instrumentation of the bands, I have asked several students to consider a “color instrument.” Color instruments are instruments that are generally too expensive to purchase and are therefore owned by the band program. They contribute to the maturity of the bands sound and also help with overall balance. Students who agree to switch to a color instrument, will receive a private or group lesson with a director until a smooth transition is made. Please be patient with your student during this transition.

Step-up Instruments

As your student enters or continues middle school you may want to consider purchasing a step-up instrument. There are several reasons to think about a new instrument.

1. Marching Band – purchasing a second instrument would allow for the beginning instrument to be used for marching band which is generally hard on instruments.
2. Maturity - many beginning level instruments inhibit the student’s ability to produce a more mature sound since student line instruments are generally slightly smaller in construction than **intermediate** or **advanced** models. Most of the instruments your child started on are considered beginning level instruments. These are generally smaller in bore size (the inside diameter of the tubing) and made of cheaper materials. Step-up instruments are larger in bore and feature additional keys or valves which permit easier playing in the **high ranges often found in advancing level band music**. **Advanced level** instruments feature hand made or near hand made construction. Many **intermediate instruments are very similar to advanced or professional models but have only minor cosmetic and/or structural differences and often cost significantly less**. Please check out the information on the web page (smfband.org). First, click on Kimpton, then the “upgrading your instrument” link. If an instrument is not in the budget, perhaps upgrading your child’s mouthpiece will fit. This is a great way to get started without spending a ton of money. Please talk to a director for the most update info on mouthpieces for your child’s instrument.

Students will receive small group lessons as needed throughout the year. Students will be held accountable for material covered in this lesson. In addition to this group lesson, parents may be interested in private lessons for their student. There are three main benefits of private lessons.

- | | |
|--|---|
| 1. One on one – teacher/student | Allows the teacher to focus all of their attention to your child’s needs. |
| 2. Catch-up | Allows the student to feel good about music on their instrument and progress with the entire class. |
| 3. Move-ahead | Allows the above average student to move ahead and tap their full musical potential. |

I recommend Woodsy’s music in Kent, Western Reserve Music, and Hudson School of Music in Hudson, or check with the directors, as we can also recommend variety of teachers for lessons as well.

I have provided a lot of information in this newsletter. Please do not hesitate to contact me in regard to this newsletter, your student, or the Kimpton Band program. I can be reached via email: st_sandman@smfcsd.org. I look forward to seeing you all soon at our first performance!

Musically,

Mrs. Sandman

MUSIC TESTING/ PROGRESS BOOK:

Music testing grades are now being entered into progress book.

The student's final grade is based on:

- **Daily Practice & Performance** **40%**
- **Daily Participation Grades** **20%**
- **Testing Grades:**

Show Show	8%
Pregame	8%
Homecoming & Kimpton Night	8%
Senior Show	8%
Marching Grade	8%

Please remind your student to **attempt each piece of music**. An attempt is recorded as a 50% and will average much better than a 0%. Any piece of music not passed off or attempted receives a zero when grades are closed. Students may pass any piece of music for at least a 55% until **Thursday, October 17th**. All students have a yellow testing card with an accurate record of what has been attempted or passed. In the event a grade is missing in progress book, the yellow card will be proof that the student passed it off on time. If you have any questions about you child's grade please don't hesitate to email...

Mrs. Sandman (st_sandman@smfcsd.org) as she records all testing grades.

Mrs. Grossi (st_kgrossi@smfcsd.org) records all Daily Practice & Performance (attendance) and Participation grades.

BAND HONORS POINTS

Band Honors Points are due this quarter on or before: **Thursday, October 10th**.

Band Honors points are worth 10% of the students grade for the quarter and therefore would lower a students grade by one letter grade if not turned in or incomplete. Please refer to Honors Band Handbook for questions and criteria regarding Honors Band Points.

~ Kimpton Night/Homecoming ~

Your help is needed to make this event a success!!

Kimpton Night is Friday, September 27th. For this event, the Kimpton and SMF High School students march together in the homecoming parade and the pregame show. Band parents always support this fabulous event by providing a dinner to all the students after the parade and before the football game. We are in need of several volunteers to help feed the 300+ students.

<http://smfband.org/boosters/>

We need volunteers to **make cookies** and **donate listed items**, **cook the hot dogs**, **set up**, **serve**, and **tear down** the event. We serve the kids in the hallway outside the band room. **Set up begins at 4:00**, we serve the students immediately after they march in the parade (approximately 5:30), and clean up is right after they are finished eating. All volunteers will have ample time to enjoy the homecoming activities and see the parade and game.
