

SMF Band Parents' Boosters Meeting

May 6, 2024 Meeting

Executive Meeting

"BIG" Scholarship Update – These were awarded last week

Uniforms – No new update since Mr. Newman met with K. Prough and A. Murray in late April. Mr. Newman will reach out after Commencement if he does not hear from them first.

Band Parent Meeting

50/50 - \$280 from Kimpton Concert. The concerts for Lakeview and High School are coming up. Signup Genius will go out soon for volunteers.

Tag Day – Went very well, approximately \$22,500 made.

Blossom – It will be last-minute if we are able to work this year. Those who worked last year would be able to work the first few concerts, as new people will have to be trained later. This is all due to new insurance guidelines.

Concessions – Cleanup of the concession stand will be the middle of Pre-Camp week.

Newsletter – Please get information to J. O'Connell by mid-June to be included for the Summer edition.

Scholarship – All set and will be done May 16th. There is a candidate.

Ways & Means – Kim Goosby will contact Troyers in August for November pie sale.

Spirit Wear – Dave Stofka working on designs. We should be getting these from Youngs again, with the ordering process the same as last year (we order right from Youngs).

Uniforms – Tina Valdez and Amy Chikosky will begin working on them. Tina requested a steamer be purchased, to be able to steam the capes. This was Motioned by Don Appleby, Seconded by Mary Appleby, and voted in favor by all to provide \$50 to purchase this.

Car Washes – Dates are all set. New posters/signs being made at Band Camp.

Drug Mart – Bob Brantsch to reach out to Allyson Alsherifi for this.

Band Camp – Everyone will need to get fingerprinted again, for FBI.

Band Show – Date conflict with production company, Hedgehog Productions, and they cannot do our recording. Mr. Newman will reach out to Audio Technica.
